

How It Works

If you are uninsured or underinsured, fees are determined using a sliding fee schedule based on a person's family size and household income.

We accept Medicare, Medi-Cal, Managed Care Plans and private insurance. We also offer enrollment assistance and participate in the following programs:

Family Planning, Access, Care & Treatment
Every Woman Counts
Child Health and Disability Prevention
My Health LA
Vaccination For Children

Patients are encouraged to bring a completed medical history form (available on our website www.sdfhc.org) to their appointment.

Executive Staff

Philip Solomon, CEO; Dr. Samuel Dixon III, CMO;
Thomas Christensen, CFO; Andrew Kean, CIO

Board of Directors

Board Chair – Gloria Mercado-Fortine
Vice Chair – Mike Fisher
Secretary – David Goldberg, DDS
Treasurer – Alan Ferdman

*Caring for People and
Providing Healthcare, Dental &
Mental Health Services
To Those in Need Throughout
the Santa Clarita Valley and
Surrounding Communities*

Our Mission

As a full-service health safety-net provider, we strive to provide high-quality, culturally sensitive, affordable and accessible primary healthcare, dental, mental health and enrollment services to all residents of the Santa Clarita Valley and other underserved neighboring communities. We have specialized programs for all who are in need.

We believe that everyone should have access to quality healthcare, dental, and mental health services and we will never refuse service due to an inability to pay or lack of insurance.

Who We Are

Samuel Dixon Family Health Center, Inc., a non-profit 501(c)(3), was founded by Reverend Samuel Dixon in 1980 in response to the lack of healthcare and women's healthcare services available to low-income African-American and Latino congregants in the community of Val Verde. Today there are three health center locations and two outreach programs serving the Santa Clarita Valley.

We are the only group of health centers founded and based in the Santa Clarita Valley.

Our Services

Family Medicine
Treatment of Illness and Injury
Chronic Disease Management
Physical Exams
Women's Health
Immunizations
Health Education
Oral Healthcare
Mental Health
Laboratory Screenings
Specialty Referrals
Diabetes Prevention Program
Enrollment Services

Our practice team provide patients access to evidence-based care, educational materials, and self-management support.

Our services are made affordable through the generosity of grants, individual donations, local and federal contracts and our signature fundraising event, **Dixon Duck Dash**, held annually each fall.

If you wish to make a contribution, please visit our website at www.sdfhc.org. All contributions are greatly appreciated and tax deductible (Tax ID 95-4278726).

A simple \$36 donation will cover the cost of a patient visit with any of our healthcare professionals.
